**Segment Revenue and Results for the quarter and nine months period ended 31<sup>st</sup> December, 2023:**

Segments	Revenue		Results (After Exceptional items)	
	Q3 2023-24	9 months 2022-23	Q3 2023-24	9 months 2022-23
	Rs. Crores	Rs. Crores	Rs. Crores	Rs. Crores
A - Unitary Cooling Products	1476	5198	123	423
B - Electro-Mechanical Projects and Services	982	2585	(120)	(221)
C - Engineering Products and Services	155	432	50	158

**Consolidated Results for the quarter ended 31<sup>st</sup> December, 2023:**

The Consolidated Total Income for the quarter ended 31<sup>st</sup> December, 2023 was higher by 32% at Rs.2684 crores as compared to Rs.2036 crores in the corresponding quarter last year. Profit before tax (PBT) was at Rs.24 crores as compared to loss of Rs.80 crores in the corresponding quarter last year. Net Loss (after tax) was at Rs.28 crores as compared to loss of Rs.110 crores in the corresponding quarter last year.

**Consolidated Segment Results for the quarter ended 31<sup>st</sup> December, 2023:**

**A - Unitary Cooling Products:** The Unitary Cooling Products business continued to outperform the market and maintain its growth momentum in a relatively lean quarter. While the overall volumes grew by 22%, the year on year growth for Room Air-conditioners was even higher at 27%. Voltas continues to be a market leader both in Split and Window Air-conditioners with a YTD market share of 19% as of December 2023. The overall Segment Revenue grew by 21% to Rs.1,476 crores as compared to Rs.1,216 crores in the corresponding quarter of the previous financial year. On account of a better product mix and a focused margin enhancement approach, Segment Result during the quarter grew by 37% to Rs.123 crores as compared to Rs.89 crores in the same quarter previous year.

**B - Electro-Mechanical Projects and Services:** This Segment comprises both Domestic and International Projects businesses. The Domestic Projects business with a presence in MEP, Water and Electrical infrastructure has grown by 83% year on year on the back of a healthy order pad. Timely execution, focus on certification and other related project management initiatives have resulted in a robust bottom-line growth over the previous year. The Domestic Projects continues to grow its order pad and retain a positive outlook, given the increased infrastructure spending in the country.

On the other hand, the International project business continues to face headwinds. A few projects (especially in Qatar), are under stress due to unreasonable delays in release of due receivables, and prolongation of execution timelines. These delays have resulted in cost overruns, which have impacted the overall performance of the International project business, resulting in a loss of Rs. 143 crores in the current quarter. The Company continues to engage with all concerned stakeholders in these projects, to pursue its rightful claims and ensure recovery of due receivables.

**C - Engineering Products and Services:** The segment continued to show improved performance on the back of a strong order backlog and disciplined execution efforts. The Revenue for the quarter was at Rs.155 crores compared to Rs. 118 Crores in the previous year, while Results were higher at Rs.50 crores as compared to Rs.46 crores in the corresponding quarter of the previous fiscal.

5. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
6. We draw attention to Note 3 of the accompanying consolidated financial results which describes the uncertainty relating to the outcome of ongoing litigation including claim for encashment of bank guarantee by a contractor in respect of one of the overseas projects executed by the Company in earlier periods. Our conclusion is not modified in respect of this matter.

3) The Group had entered into a sub- contract along with a consortium partner with a Main Contractor, through its branch in Qatar in the year 2010. The Main Contract between the Ultimate customer and the Main Contractor was terminated closer to the completion of the contract citing delays and defects in execution and non- compliance of contractual terms by the Main Contractor and arbitration had ensued between the Main Contractor and the Ultimate customer and the final award is pending. The Group had performed a comprehensive assessment of the losses arising on account of such termination of the Main contract and cessation of work and accounted for all probable losses on the sub contract in the earlier years.

The Group had issued bank guarantees amounting to approximately Rs.373 crores (QAR 166.6 million) to its Main Contractor which was being disclosed as a contingent liability over the years. In June'23, the Group was intimated of a request received by the bank from the Main contractor for encashment of the said bank guarantee, which due to certain deficiencies was not paid by the bank to the Main contractor and the matter is in litigation. Further, the Group and the Main Contractor have filed claims and counter claims against each other with Investment and Trade Court (Qatar). In light of the recent claim for encashment of the bank guarantees and related developments, the Group has re-assessed its liability under the sub-contract and basis such internal assessment on technical merits of the case and legal opinion on the contractual aspects, is confident that it has good grounds to successfully defend any claims that may arise on the Group. Accordingly, no further provision has been considered in the above financial results. The Group has taken all necessary steps, including legal remedies to safeguard and defend itself. The matter is sub-judice and the Group is closely monitoring the developments as they arise.

4) The Statutory Auditors of the Company have conducted a "Limited Review" of the aforesaid financial results.

**Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended****Review Report to  
The Board of Directors  
Voltas Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of Voltas Limited (the "Company") for the quarter ended December 31, 2023 and year to date from April 01, 2023 to December 31, 2023 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. The Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. We draw attention to Note 3 of the accompanying standalone financial results which describes the uncertainty relating to the outcome of ongoing litigation including claim for encashment of bank guarantee by a contractor in respect of one of the overseas projects executed by the Company in earlier periods. Our conclusion is not modified in respect of this matter.
