PRESS RELEASE

ELGi forms strategic partnership with VOLTAS

August 28, 2014 Mumbai: ELGi has entered into a strategic partnership with M/s. Voltas Limited for selling ELGi air compressors and accessories to the textile industry.

Voltas is India's leading solutions provider for the textile industry, offering world-class products meeting diverse customer needs. Voltas has a pan-India presence through its network of 16 branches and over 300 textile engineers.

ELGi Equipments Limited is a market leader in – and Asia's largest manufacturer of – air compressors with innovative and technologically superior compressed air systems. ELGi has earned worldwide distinction for designing sustainable solutions that help companies achieve their productivity goals.

ELGi offers a complete range of compressed air solutions including oil-lubricated and oil-free rotary screw compressors, centrifugal compressors, dryers, filters and downstream accessories.

"At ELGi we are excited about this partnership. Our best-in-efficiency class machines will now be backed by the best organisation in terms of reach and service," commented Dr. Jairam Varadaraj, Managing Director, ELGi Equipments Ltd.

"We are delighted to be associated with ELGi Equipments, as their world class products enable us to offer a 'Complete Product Suite' to the textile Industry," commented Mr. C. Kamatchisundaram, Vice President, Textile Machinery Division, Voltas Ltd.
