

In ACREX 2023, Voltas showcases its world-class energy efficient HVAC products and solutions

Mumbai, 14th March, 2023: Voltas Limited – A TATA group enterprise participates in South Asia’s largest HVAC exhibition, ACREX India 2023. Voltas’ Commercial air-conditioning business along with the flagship Room AC business and Universal MEP Projects & Engineering Services (a 100% wholly owned subsidiary company of Voltas Ltd), will together showcase world-class energy efficient green products and life cycle management services.

Speaking on this occasion, **Mr. Pradeep Bakshi, Managing Director & CEO, Voltas Limited** said, “As market leaders in air conditioning, Voltas has been at the forefront of reinventing and developing products that are technologically superior. Our innovation and new solutions in the cooling and comfort space have been setting new benchmarks within the industry. We look forward to showcasing these strengths during ACREX 2023, where we are presenting our latest offerings for the HVAC industry.”

As pioneers in smart engineering, Voltas has focused on building smart products with integrated smart monitoring for efficient execution for their wide customer and client base. The brand displayed its wide range of VRF, Chillers, Light commercial ACs, Room ACs along with their services such as HVAC equipment lifecycle management, MEP and Water management services at ACREX India 2023.

In the RAC category, Voltas also launched its latest 2023 Inverter AC range which comes with the unique value proposition of ‘Pure & Flexible Air Conditioning’. It is powered with HEPA Filter, PM 1.0 Sensor and AQI Indicator which help to purify the indoor air; and is also loaded with convertible cooling technology which comes within its 6 Stage Adjustable Mode, that allows the user to switch within multiple tonnages, depending on the ambient heat. Moreover, this new range is loaded with new features like Super Silent operation for comfortable sleep, Ice Wash and Filter Cleaning Indicator for better performance, and Anti Corrosive Coating to give enhanced life.
